

Student Instructions for the NAT Exam Process on ZOOM (No Chromebooks)

ONE WEEK PRIOR TO EXAM DATE

1. Students will be sent the ZOOM LINK and the information below.
2. Create your Log In and Password using their Hawkmail email.

Sign into Elsevier / Evolve <https://evolve.elsevier.com/>
Click on...I AM A STUDENT

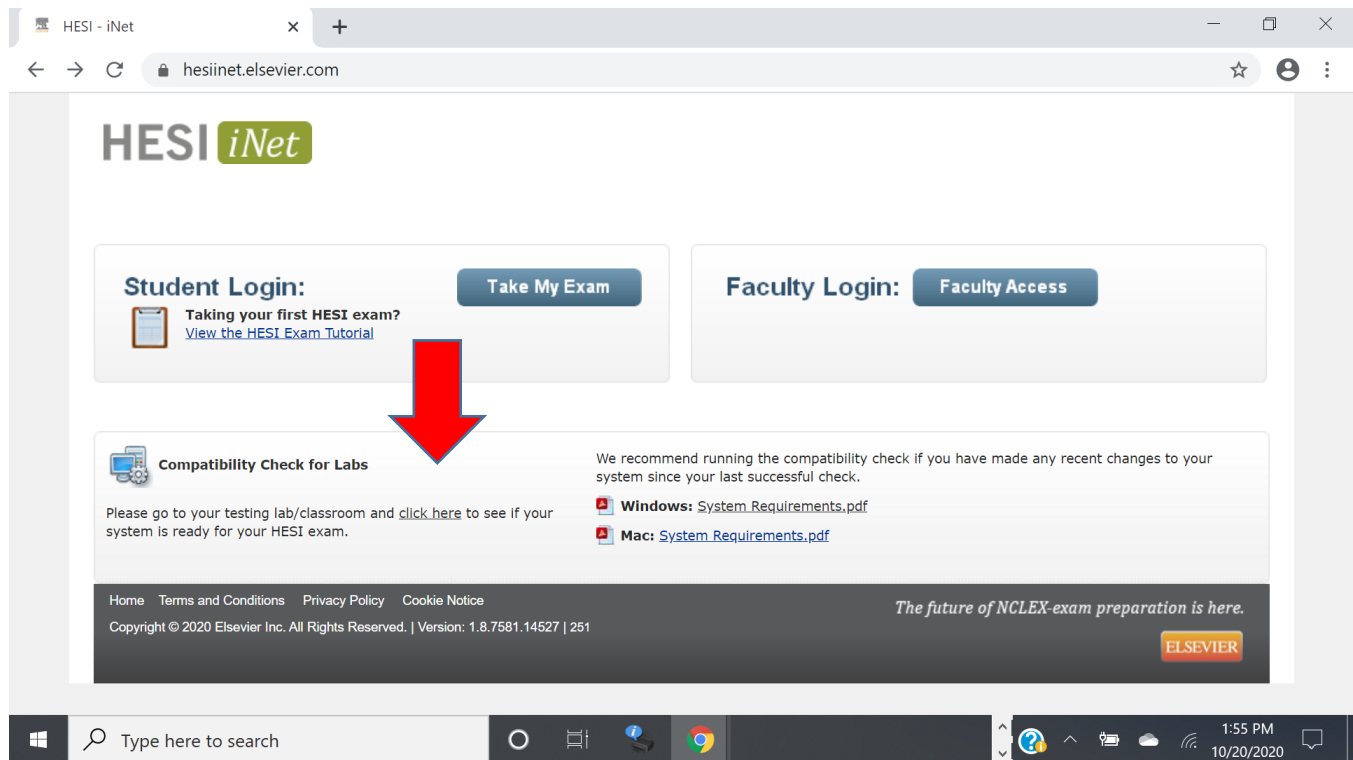

3. Have students perform the equipment test.

<https://hesiinet.elsevier.com/>

Make sure computers have a *camera and microphone*.

Perform Computer Equipment Test Here:

Click on “Click Here” below the Red Arrow to ensure your computer is compatible.
If the Pop Up blocker shows up, go to the Upper Right on the Screen (web browser) and there will be a Red X, click on that and click on “Allow Pop Ups”.

The screenshot shows the HESI iNet website interface. At the top, there is a navigation bar with the HESI iNet logo. Below the logo, there are two main sections: "Student Login:" and "Faculty Login:". The "Student Login:" section includes a "Take My Exam" button and a link to "View the HESI Exam Tutorial". The "Faculty Login:" section includes a "Faculty Access" button. Below these sections, there is a "Compatibility Check for Labs" section. A large red arrow points from the "Take My Exam" button to the "Compatibility Check for Labs" section. The "Compatibility Check for Labs" section contains text about running a compatibility check and links to "Windows: System Requirements.pdf" and "Mac: System Requirements.pdf". At the bottom of the page, there is a footer with links for "Home", "Terms and Conditions", "Privacy Policy", and "Cookie Notice", along with copyright information and the Elsevier logo.

HESI

Compatibility check

Get your device ready for test day
Complete the compatibility check on the same device and network that you'll use for the exam to see if it meets the [minimum requirements](#).
